1 Go to gemini.google or your **Gemini** app

2 Click the [🔥 image] dropdown

3 Upload one or multiple photos, or generate one

4 Add your prompt and generate!

Trending Use Cases

Here are some of the most popular trends we're seeing online. See what's possible and jump in on the action!

#1 Design your own anime, manga, or mecha figures

Design your <u>own figures</u> and instantly see them as realistic, commercial-ready models. Try creating <u>miniature versions of</u> yourself, <u>family members and friends</u>, or even your <u>pets</u>!
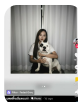

Try this prompt

"Create a 1/7 scale commercialized figure of the character in the photo, in a realistic style and environment. Place the figure on a computer desk, using a circular transparent acrylic base without any text. On the desktop screen, display the Blender modeling process of the figure. Next to the computer screen, place a toy packaging box printed with the original artwork with "Made with Gemini" written at the bottom of the box."

#2 Bring your cherished moments to life

Create a heartwarming moment you can't go back in time to capture, by <u>digitally adding</u> your beloved family members and pets who have passed away.

Try this prompt

Upload a photo of the loved ones and pets you want to include, and the photo where you want to add them.

"A Polaroid-style photo with a slight blur effect and consistent flash lighting, as if taken in a dark room. Replace the background behind both people with a plain white curtain. Do not alter their faces. The man stands close to the woman."

#3 Become your own stylist

Give your old clothes a new life or completely change up your look! You could try <u>swapping outfits</u>, <u>styling your wardrobe</u>, and even <u>trying completely new hairstyles</u>.
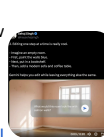

Try this

Upload a photo of yourself, and another photo of your desired outfit.

Prompt: "Show the person wearing the outfit."

#4 Redecorate every space

Visualize and experiment with new arrangements. You could try <u>replacing your furniture</u>, <u>transforming your bedroom</u> or <u>remodel your home</u>!

Try this prompt

"Help me transform this room. Make the walls white, and the curtains and rug light beige. Also remove the bed and change it for a more adult double bed. And make space for a white shelf full of books. Make the room look contemporary. Use a paper balloon lamp. It should look like the room of a young adult."

#5 Transform the everyday into the extraordinary

Turn a random object into a hilarious <u>80s sitcom character</u>, transform your photos into giant statues, or reimagine your selfies as classical oil paintings worthy of a museum. Let your creativity run wild.

Try this prompt

"What would this look like as a renaissance painting?"

Or try this ready-made <u>monument maker</u> in Gemini!

#6 Create consistent characters for your storytelling

Bring your own characters to life! Easily create a <u>consistent character across multiple images</u>. Turn your <u>pet into the hero</u> of their own manga, or develop a brand new character for your own animated series.

Try this prompt

"Create a 4-panel comic strip with no dialogue, in cartoon style that tells a short story about my pet cat, Josie who loves eating strawberries."

Have fun, and go 🍌🍌!
